10. Notes:

Deadlines:

In special circumstances, where timing is important, an application may be submitted for consideration at any time. Otherwise, the deadline for applying will be according to the schedule posted in the community.

Reporting:

If your request to the SCPIF for funding is granted you will required to write a summary report of project activities and accounting of money spent on your project. This must be delivered to scpif.pond@gmail.com .

This report is very important in order to thank those who provide the money, to provide current information for the Foundation’s annual newsletter and to encourage further donations to the Foundation for future grant awards.

Please note: If a follow up report is not received you or your organization will not be eligible for funding from the Foundation in future until the report has been submitted.

I have read and understand the above requirements.
